Name of school or institution now attending:

Your current student status: ☐ high school, ☐ undergraduate, or ☐ graduate program ☐ MS ☐ PhD ☐ other

Year you expect to graduate or complete your degree:

I affirm that the above information is correct — Signature: ____________________________ Date: ____________

** CRS Statement of Belief**

All members must subscribe to the following statement of belief:

1. The Bible is the written Word of God, and because it is inspired throughout, all its assertions are historically and scientifically true in the original autographs. To the student of nature this means that the account of origins in Genesis is a factual presentation of simple historical truths.

2. All basic types of living things, including man, were made by direct creative acts of God during the Creation Week described in Genesis. Whatever biological changes have occurred since Creation Week have accomplished only changes within the original created kinds.

3. The great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event worldwide in its extent and effect.

4. We are an organization of Christian men and women of science who accept Jesus Christ as our Lord and Savior. The account of the special creation of Adam and Eve as one man and one woman and their subsequent fall into sin is the basis for our belief in the necessity of a Savior for all mankind. Therefore, salvation can come only through accepting Jesus Christ as our Savior.
The membership/subscription categories are defined below:
1. Voting Member .............Those having at least an earned master’s degree in a recognized area of science.
2. Sustaining Member ..........Those without an advanced degree in science, but who are interested in and support the work of the Society.
3. Student Member .............Those who are enrolled full time in high schools, undergraduate colleges, or postgraduate science programs (e.g., MS, PhD, MD, and DVM). Those holding post-doctoral positions are not eligible. A graduate student with a MS degree may request voting member status while enrolled as a student member.
4. Senior Member .............Voting or sustaining members who are age 65 or older.
5. Life Member ....................A special category for voting and sustaining members, entitling them to a lifetime membership in the Society.
6. Subscriber ......................Libraries, churches, schools, etc., and individuals who do not subscribe to the Statement of Belief.

All members (categories 1–5 above) must subscribe to the Statement of Belief as defined on the previous page.
